SUMMARY

As a current Bachelor of Engineering student specializing in Computer Science, I have cultivated a strong foundation in frontend technologies such as HTML, CSS, and JavaScript. Moreover, I demonstrate proficiency in Python and possess experience in version control using Git and GitHub. Eager to leverage my ongoing education and skills in a practical setting, I am enthusiastic about contributing to innovative projects and bringing a fresh perspective to the field of web development. I am a quick learner, ready to adapt and contribute effectively to the team.
